

She Is 16 To-Day But Has Had Only Three Birthdays

Miss Dargin Was Born Leap Year
and Must Wait Four Years for
Next Celebration.

Mrs. Leo Dargin of Barnard Court, One Hundred and Sixteenth street and Riverside Drive, is giving a birthday luncheon to-day for her daughter, Miss Amy Frances Dargin. While this will be Miss Dargin's sixteenth birthday, she will only be able to light her birthday cake with three candles, having had only two birthday celebrations on account of being born on a leap year.

Those invited include the Misses Ethel Maxwell, Constance and Gladys Moore, Anita Brown, Gertrude Lane, Margaret Stanley, Ruth Moore, Dorothy Myers, Eva Flood, Betty Dargin, and Catherine and Emma Bennett of Albany, N. Y.

Auto Hits Racing Boy; He Has Fractured Skull.

With his books under his arm seven-year-old Edward Watson left the Catholic School in Fifth street, between Park and Lexington avenues, yesterday afternoon and began racing with several other small boys toward his home, No. 715 Lexington avenue.

Nearing Fifty-seventh street Edward darted from the side of a shanty built over the subway shaft directly in front

of an east-bound automobile, which knocked him unconscious.

The chauffeur, Albert Schwartz, who is employed by William H. Quinn of Astoria, lifted the boy in his arms and raced to Flower Hospital.

Life Insurance or Death Insurance—Which?

People usually pay large sums for life insurance, which is really death insurance, but real life insurance frequently consists in taking Eckman's Alternative.

One day Eckman's person affords not to take the Alternative.

Investigate it. If you are broad minded enough to believe that there can be a cure for Consumption, which has not been successfully exploited, or which is not based merely on climatic or diet restrictions, Mr. Eckman's report follows:

Weldon H. H. "Gentlemen—During 1905 my physician sent me to Texas. From there to Colorado, I became worse and was sent home to die. Eckman's Alternative, began treatment, and was cured. I earnestly recommend Eckman's wonderful cure for Consumption.

ARTHUR WEBB (replied gratefully) "Further details of this case upon request. Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in unbuilding the stricken body and restoring to normal condition the body's vitality. For sale by all druggists and health food stores, and other leading druggists. Ask for booklet of Eckman's Alternative and Eckman's Laboratory, Philadelphia, Pa., for additional evidence.

Household Linens
As a fitting accompaniment to the March Sale of Housewares, China and Cut Glass, we have effected the following special purchases, the benefit of which will be offered to our customers tomorrow:

250 Tablecloths, of fine satin-finish Irish linen, pure flax, full bleached, in two designs; 2 yards square, \$4, 2x2 1/2 yards, \$5.
100 dozen Napkins to match, 24 inches square, \$5.50 the dozen.
250 dozen hemmed German damask, grass bleached linen Napkins, sturdy woven—somewhat finer than usual; 22 inches square, \$2.50 the dozen.

And we shall present at the same time our new direct importations of Scotch huck towels, with hemstitched ends, damask-bordered towels, Irish damask linen Napkins, German damask linen hemmed Napkins, Irish Table linen (extra heavy), and plain linen scalloped-edged Luncheon Sets, boxed, for the bungalow or summer cottage. 1st Floor, Old Bldg.

Formerly
A. T. Stewart & Co.

JOHN WANAMAKER

Kreamer's extra heavy Tinware at 25 per cent. less.
Hand-made lifetime Woodenware at 20 per cent. less.
Vollrath seamless double-coated Enameled Steel Kitchen Ware at 25 per cent. less.
Puritan Refrigerators—modern and efficient—at 25 per cent. less.
Bathroom Fittings—nickel-plated on brass—at 20 per cent. to 33 1/3 per cent. less.
Chafing Dishes, Coffee Percolators and other nickel-plated ware, at 25 per cent. less.
High speed, noiseless Rotary-shuttle Sewing Machines at \$25.
Steamer and Dress Trunks—built for service—at 25 per cent. less.
Brooms and Brushes, black and galvanized Iron-ware, Cutlery, Food Choppers, Dress Forms and many other items needed in every household, at 20 per cent. to 33 1/3 per cent. less.

ALL of which is staple, standard merchandise of fixed value and price.
DISCOUNTS MENTIONED ABOVE are figured from these fixed prices—and are possible only because of the cooperation of manufacturers with whom we do business all the year around.

60,000 Articles of Daily Need for Less Than Their Worth

Tinware—the best made—extra heavy highly-polished plate—every piece full size. A large stock of the pieces most in demand. Such savings as these:
A \$1.25 porcelain-lined rice boiler for \$1; a copper-bottom wash boiler, \$1.25, instead of \$1.60; an 18c bread pan for 12c.

Woodenware de luxe—selected wood, no knots, round corners and edges, planed surfaces, firm joints. Examples:

\$3 for a \$3.75 kitchen table 5 feet long; 75c saved on a polished oak chair that turns into a step ladder when required.
Enamelled ware—a solid carload of this splendid ware, stamped or drawn from a single piece of solid steel—covers all parts triple-coated with speckled gray enamel, baked hard as the steel itself.

A dish pan is 70c, instead of 95c; a coffee pot is 50c, instead of 70c. And so on.

Puritan refrigerators have stood the test of time. All are of hard wood, with galvanized steel lining. We have sold them for years with uniform satisfaction. For March, here are

Four sizes in top-opening style, at \$9.25, \$10.25, \$13.50 and \$19.50, and two sizes in apartment house style, at \$11 and \$14.75 respectively. The saving on each is several dollars.

Bathroom fittings that will not rust—we sell no other kind. Be wary of those that conceal iron beneath showy nickel-plating. A little wear and your towels are ruined with rust marks. Wanamaker nickel-plate hides nothing but non-rusting brass or copper. Besides the plated fittings, two specials in white enamelled bathroom stools.

The Sewing Machine offer sets a new mark. For the first time, a strictly modern, rotary-shuttle, drop-head machine may be had for less than \$35—ten dollars less.

We have a hundred and fifty of these excellent machines to go. They will do almost twice as much work in the same time as the old type of vibrating shuttle and with less labor, as we will be glad to demonstrate to all. Five-drawer, polished oak cabinet and all usual attachments. \$25—payable \$1 a week, if desired.

Trunks—sturdy fellows, bound with fibre, reinforced with hard-wood slats, trimmed with brass and encircled with heavy leather straps.

Dress trunks are \$7.50 to \$9.50—steamer trunks, \$6.75 to \$9.25—exactly a quarter less than such trunks usually cost.

Chafing Dishes and Percolators—all nickel-plated on brass or copper, of standard make and artistic design.

Cutlery—of standard quality and including the well known French cook style knives.

Brushes and Brooms—are of bristle, not horse-hair.

An improved adjustable Dress Form at \$10 will be appreciated by home dressmakers.

And so we could continue to the end of the page—but it will be so much more pleasant for all to come and spend a morning or afternoon in this great roomy, bright Housewares Store, seeing what a feast of good things is spread.

Why not come to the opening of the Sale to-morrow? The Astor Place Subway Station opens right into the Housewares Store.
